| • Sharda University | Greater Noida, India |
| <i>Bachelor of Technology- Computer Science and Engineering :8.1 CGPA</i> | September 2022 - June 2026 |
| • Little Scholars | Kashipur, India |
| <i>Class 12 : Percentage : 79 %</i> | May 2022 |
| • Little Scholars | Kashipur, India |
| <i>Class 10 : Percentage : 81%</i> | June 2020 |

Skills Summary

- **Languages Tools:** Python, Java, C, JavaScript, SQL, HTML, CSS
- **Technologies & Framework:** MERN Stack (MongoDB, Express.js, React.js, Node.js), RESTful APIs, Firebase, WebSockets
- **Soft Skill:** Leadership, Team Management, Time Management

Projects

Family Tracker App

Tech Stack: Node.js, Express.js, MongoDB, JWT Authentication

- Developed a real-time family location tracking app using Node.js and MongoDB.
- Implemented JWT authentication for secure user login and role-based access.
- Designed and optimized MongoDB schemas to store user and location history.

Simon Game(Personal Project)

- Developed an interactive Simon Game using HTML, CSS, and JavaScript.
- Implemented event-driven programming to enhance the user experience.
- Applied DOM manipulation and JavaScript logic for smooth game functionality.

Gym Website

- Technologies: HTML, CSS, JavaScript
- Developed a responsive and interactive gym website to showcase services, trainers, and plans.
- Implemented a user-friendly UI with smooth navigation and animations for an engaging experience.
- Integrated a contact form with form validation using JavaScript.
- Optimized website performance and responsiveness across devices.

Certifications

- | | |
|---|-----------------------|
| • Introduction to Database Foundations – Oracle Academy | Oracle Academy 2024) |
| • Introduction to Java Foundations- Oracle Academy | (Oracle Academy 2025) |
| • Postman API Fundamentals | (Postman) |
| • Udem Certificate – Web Development | (Udemy, 2023) |
